

## After School Club

We are looking to offer some different options for our current after school club provision, and would be interested to hear the views of our parents/carers. Provisionally we are considering having a KS2 (years 3,4,5,6) session on a Tuesday, offering in the autumn term, Taiho Jutsu (martial arts), spring term dance and the summer term football.

KS1 (Rabbits, years 1 & 2), session on a Wednesday, offering in the autumn term gymnastics, spring term sports and fitness and the summer term Dance.

Both sessions would run from 3pm - 4.30pm at a cost of £7.00 per session. Please indicate below which sessions your child may be interested in. If you are aware of any great activities that we may be able to offer please also let me know. Please return to Gill Stoll.
