

# Eagle Class Newsletter

## Summer 2 2017

Dear Parents/Carers

WELCOME back to Eagle Class. We hope you all had a lovely half term and we would like to take this time to say thank you for your on-going support this year. It has been a pleasure to work with you and your child and we look forward to a fantastic final half term as we prepare to move on to new adventures, either in this school or another.

### Eagle Class topic

Our topic this half term is *Growing Up and Moving On*.

- ✚ Different parts of our body
- ✚ How to care for our body (this will be the focus of our personal safety week)
- ✚ Changes that will happen as we grow older
- ✚ Thinking of the memories we've had over the past year and throughout our time at Riverside
- ✚ Transitions ready for next year

A letter will be sent home shortly with more details on what will and will not be covered in the curriculum.

To continue with these topics at home you could try the following:

- ✚ Looking at baby photos and talking about change.
- ✚ Looking at pictures of new schools so that they become familiar with it (Year 6).
- ✚ Talking about memories of the last year.

### PE

PE in Eagle Class will now be every Tuesday morning with 'Planet Sport'. We will be trying to improve our athletic skills. If you have not already, please could you send your child in with a named t-shirt, shorts/tracksuit bottoms, plimsolls or trainers.

### Reminder

Please remember to send in their home school link books and reading books. Reading at home will help the children achieve their reading prizes.

### English

In English this term we will be focussing on stories with familiar settings. We will be looking at different stories with familiar settings and having a go at writing our own. We will design our own character, decide which familiar setting their story will take place in and decide what will happen to the main characters.

### Maths

In Maths this term we will be working on adding and subtracting, money and finding a quarter of a fraction. We will also look at data handling, collecting data and presenting it in different graphs.

### Important dates

12<sup>th</sup> - 16<sup>th</sup> - Personal Safety Week

17<sup>th</sup> and 20<sup>th</sup> July - Summer Parents evenings

24<sup>th</sup> July - KS2 sports morning

25<sup>th</sup> July - End of term. 12:45 finish
