

Eagle Class Newsletter

Spring 1 2019

Dear Parents/Carers

Happy New Year! We hope you had a fantastic Christmas and a wonderful holiday!

We would like to share with you some of the activities happening in Eagles this half term.

Eagle Class topic

Our topic this half term is 'Changing materials'.

Throughout this topic we will cover:

- ✚ Materials and their properties
- ✚ Conducting a fair experiment, recording results and making conclusions.
- ✚ Evaporation, freezing, melting, heating, dissolving

To continue with these topics at home you could try the following:

- ✚ Experiment with cooking! Look at all the ways food changes when it is heated or mixed.
- ✚ Freeze ice cubes and experiment different ways to melt them.
- ✚ Go for a walk and see how many different materials you can find e.g. plastic, wood

Reminder

Please remember to send in your child's home school link books and reading books. Reading at home will help the children achieve their reading prizes.

We will be running the Reading Reward Shop again fortnightly every Monday afternoon.

We will be starting to have more Maths and English lessons outside this term so please ensure that children are provided with coats as well as spare shoes/wellies if you wish for them to use these.

Important dates

Here are some important school dates coming up to let you know about:

- 25th January - INSET Day
- 11th - 15th February - Arts week
- 15th February - End of half term. 3pm finish.

Maths

In Maths this term counting, number bonds and place value will be our focus during our number lessons. Our shape, space and measure lessons will focus on shape, halving and symmetry.

English

In English this term we will be looking at shape poems and having a go at writing our own! We will use pictures and videos of animals, take walks in nature and eat some yummy food as inspiration for our own writing.

PE and Swimming

We have PE in Eagle Class every Monday PM. If you have not already, please could you send your child in with an appropriate named t-shirt, shorts, plimsolls or trainers and possibly some track suit bottoms. Swimming continues every Friday morning, so please ensure your child brings the kit they need on these days. Thank you.
