Brrrrr—it's still very wintery outside. We have had some issues with mud on the playgrounds this term and we are working towards fencing some areas off to try and dry them out. Apologies for the mud that comes home!

Mrs Tallack will continue to lead Early Birds/Breakfast Club. This has been really well supported by our families and we will continue to offer this service throughout the school year as long as we have at least 15 children registered each term.

Y6 parents will have received information about Fairthorne Manor. Please take time to read the information and attend a parents meeting so you can ask questions well ahead of the trip. You can pay in installments right through to the end of the summer term.

A number of staff are moving on to pursue new careers. Hannah Jordan, Nimmy Kettlewell, Cheryl Jackson and Charlotte Whelan will all be leaving us at the end of this week. We wish them all the best.

We are constantly up dating our school website and there are lots of helpful links. Recently Hampshire launched a consultation on school transport which could affect your child. There is a link on the website for you to leave your views. We have also added some new photos of the school grounds and pupils taking part in activities.

Please remember, if you have any questions, concerns or comments, feel free to contact myself or the school office.
